- Fabric sourcing & textile coordination
- Hand embellishment / detailing
- Fashion illustration (basic or advanced)
- Styling & lookbook creation

- Small-scale production management
 - Brand development & social media storytelling
-

PROFESSIONAL EXPERIENCE

WOODE Studio |CEO|Freelance Fashion Designer|Self-employed
| 2022 – Present

- Founded and developed an independent fashion brand focused on contemporary fashion design, custom garments, and creative expression.
- Designed and produced bespoke garments for private clients, translating individual briefs into original fashion concepts.
- Managed the complete design-to-production process, including concept development, fabric selection, pattern adjustments, garment construction, fittings, and finishing.
- Researched fabrics, textures, colours, and silhouettes to create designs aligned with client preferences and current fashion trends.

- Developed original pieces incorporating detailed craftsmanship, embellishment techniques, and personalised design elements.
- Managed client consultations, quotations, pricing, production timelines, and final garment delivery.
- Built strong client relationships through quality workmanship, attention to detail, and consistent delivery of customised fashion pieces.
- Created visual content and styling concepts for social media platforms to showcase collections, finished garments, and brand identity.
- Strengthened brand awareness through referrals, digital storytelling, and creative portfolio development.

Fashion Designer

MELONI | Akoka, Yaba, Lagos | Nigeria | 2019 – 2022

- Assist the design team in researching trends, fabrics, colors, and styles relevant to upcoming collections.

- Support the creation of mood boards, sketches, and technical drawings for new designs, under the guidance of senior designers.
 - Participate in brainstorming sessions and contribute creative ideas for garment designs, silhouettes, and embellishments.
 - Assist in sourcing materials, trims, and accessories needed for sample development and production.
 - Collaborate with patternmakers and sample makers to translate design concepts into wearable garments, ensuring accuracy and quality.
 - Attend fittings and assist in garment adjustments, alterations, and modifications as necessary.
 - Maintain organized records of design sketches, fabric swatches, and other relevant documentation.
 - Assist in preparing presentations, line sheets, and lookbooks for internal reviews and buyer meetings.
 - Support the design team in day-to-day tasks such as organizing studio space, managing inventory, and coordinating shipments.
 - Stay updated on fashion industry trends, runway shows, and emerging designers to inspire and inform design work.
-

Creative Projects / Capsule Collections

Zizi Cardow Project | 2016-2017

- Designed and developed a 5–10 piece capsule collection exploring contemporary African minimalism, combining

modern silhouettes with culturally inspired design elements.

- Conducted design research, developed concepts, selected fabrics, and contributed to the creative direction of the collection.
- Created original garment designs with emphasis on craftsmanship, detailing, embellishment techniques, and wearable storytelling.
- Managed aspects of garment development, including pattern adjustments, fittings, construction, and finishing to ensure quality execution.
- Directed and styled an editorial photoshoot to visually communicate the collection's identity and design narrative.
- Prepared the collection for portfolio presentation, digital showcasing, and private viewing opportunities.
- Promoted the collection through social media storytelling, strengthening brand visibility and audience engagement.

EDUCATION

- UNIVERSITY OF CAPE COAST | **Bachelor of Education (Social Science) 2015-2019**
